

WHAT'S NEW IN LADDS?

➤ **New 3rd & 4th DWI Report**

This report gives a listing of those clients currently getting treatment for 3rd and/or 4th+ DWI offense. The information provided includes last name, first name, case number, diagnosis, legal status, along with the 3rd/4th+ DWI coordinators' name, region, phone, and the name of the client's Probation Officer.

➤ **DWI Coordinator and Probation Officer - Initial Interview Page**

DWI Coordinator - This is not a required field. It is to be used only for those third and fourth DWI clients who are being tracked by the regional/district 3rd and 4th+ DWI Program Coordinator. The regional/district 3rd and 4th DWI Program Coordinator's name should be available in the pull-down.

Probation Officer - This is not a required field. It is only for those third and fourth DWI clients who are being followed by a regional/district 3rd and 4th+ DWI Program Coordinator. This field is where the client's probation officer's name is being entered.

➤ **Gambling Treatment Referral Program**

The Gambling Treatment Referral Program has been added to LADDS as a Source of Referral on the Initial Interview Page. Please begin using this code for Gambling Treatment Referral Program clients effective July 1, 2005. This source of referral should only be used for referrals received from a District Attorney who is participating in the Attorney General's Gambling Treatment Referral Program. **If you have any Gambling Tx Referral Program clients who have come in since, July 1, 2005, please go back and edit the Referral source to reflect Gambling Tx Referral Program as the referral source.**

- Reminders -

➤ **Self Help Activities - Initial Interview Page**

Effective immediately, we will collect Self Help Activities on the Initial Interview Page. The five choices for the Self Help Activities are as follows: Actively Involved in Self-Help; Some Self-Help; Rejects Self-Help; Not Applicable; Unknown. This is a **required field** so one of the choices must be selected to move to the next page.

➤ **Self Help Activities - Termination Page**

Effective immediately, Not Applicable and Unknown have been added to the current Self-Help Activities data element on the termination page.

➤ **Group Tickets**

The choice of "Inpatient" has been removed from the "Modality" item in the "Group Tickets" on the left hand pane of the browser. Inpatient facilities should complete one "24-Hour Census" ticket daily which is found on the left hand pane of the browser.
