

WHAT'S NEW IN LADDS ?

Registry Info:

1. Changed the label "Sex" to "Gender".
2. Pop-up notice for Cases due for Quarterly Evaluation (Welcome Screen) added.

Initial Interview Page:

1. Changed the label "Prior TX Episode (ADA)" to "Prior SA Treatment".
2. Deleted "History of Emotional Disorder".
3. Changed the label "Current Emotional Disorder to "Co-Occurring Status".
4. Changed "Self-Help Activities to "Self-Help Activities (Social Support of Recovery)".
5. Disallowed "Tobacco" to be used as primary drug use; label as "Tobacco (secondary/tertiary only)".
6. Grouped ALL Primary, Secondary & Tertiary Drug Use, Frequency of Use, Route of Administration and Age of First Use together.
7. Added "Not Applicable" to Route of Admin.
8. Changed "Years of Education" from dropdown box to two digit entry.

Financial Info:

1. Changed the label "Primary Sources of Income to "Source of Household Income".
2. Changed "Medicare" to "Medicare Number".
3. Changed "Medicaid" to "Medicaid Number".
4. Changed "SSI, AFDC, Other Public Assistance" to "SSI, **FITAP**, Other Public Assistance".
5. Removed "DWI" under Surceof Payment.

Evaluation Form:

1. Changed the label "Significant Emotional Disorder" to "Co-Occurring Disorder".

Service Ticket:

1. Listed Providers alphabetically by name
2. Included client name, facility name and case number on print out of service ticket.
3. Deleted the following data elements:

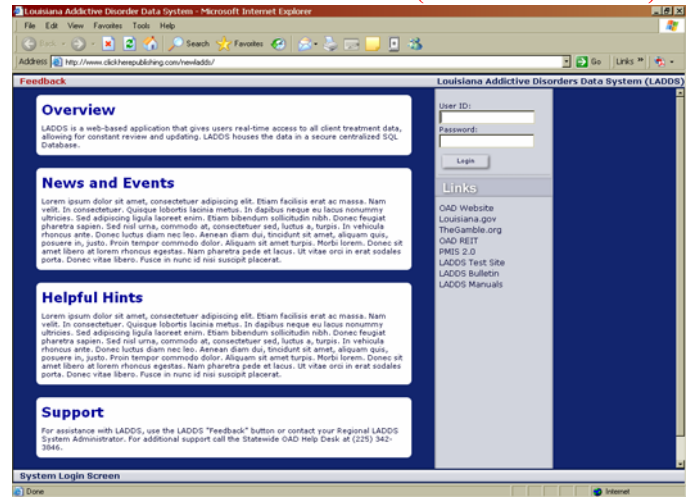

- S12 - Community Collaboration
- S13 - Appointment Status
- S14 - Emergency On Call
- S15 - Record Type

Detailed Reports:

The Admit, Open and Term Detailed Reports have been modified to more accurately display the data from the reports. The date range has been deleted from the Open Detailed Report to depict activity at the time the report is produced. The Term Detailed Report now includes the "Treatment Outcome" category that is a performance measure in our Performance Indicators. These reports were changed to provide better data integrity from our agency.
